

Click & Grow Extension Arms - 2 pcs for Smart Garden 9 - White

Maximize the potential of your Smart Garden 9 with the Click and Grow SG9 Extension Arms 2 pcs, the perfect add-on to ensure your plants get the light they need as they grow. This simple accessory set enhances the capability of your indoor garden, marrying functionality with ease of use.

- Designed explicitly for Smart Garden 9
- Includes a pair of extension arms
- Facilitates the proper light distribution
- Easy to install from the outset
- Engineered for optimal light spectrum blending

Custom Fit for Smart Garden 9

The Grow SG9 Extension Arms are precisely engineered to complement your Smart Garden 9, ensuring a flawless fit. As the plants in your indoor garden reach for the skies, these extension arms effortlessly adjust the height of the lamp, promoting unhindered growth.

Perfect Pair of Extensions

This set includes two extension arms – one with a convenient cord slot and another without. Use this exclusive pair to extend the reach of your Smart Garden 9's lamp, making sure your burgeoning greenery has all the light it needs.

Optimal Light for Healthy Plants

Attaching the Grow SG9 Extension Arms to your Smart Garden 9 from the start helps guarantee that the red and white light spectra are correctly mixed. This is crucial for providing your plants with the ideal lighting conditions to thrive.

Effortless Installation

Without needing any tools, these extension arms can be added to your Smart Garden 9 in seconds. This allows you to focus more on enjoying your gardening and less on fiddling with complicated accessories.

Designed for Spectral Harmony

The Grow SG9 Extension Arms are not merely structural enhancements; their use ensures the light from your Smart Garden 9 is delivered in the perfect blend for your plants. This attention to detail ensures your indoor garden flourishes.
