

## Click & Grow Plant Cups 3-Pack

Unleash the potential of your home garden with the Click and Grow Plant Cups 3 pcs, a truly smart gardening enhancement that maximizes the growth of your indoor plants effortlessly. Designed to work seamlessly with the Smart Garden 3, Smart Garden 9, and Wall Farm systems, these Grow Plant Cups promise a more efficient and hassle-free gardening experience that even the most casual green thumb will appreciate.

- Hassle-free Installation
- Optimized Plant Growth
- Versatile Compatibility
- Advanced Hydration System
- Durable Eco-Friendly Design

### Hassle-free Installation

Installing your Click and Grow Plant Cups is a breeze, giving you more time to enjoy your garden without the fuss. Each plant cup perfectly fits into your existing smart garden unit, ensuring you can return to what's essential - watching your garden thrive.

### Optimized Plant Growth

Grow Plant Cups are expertly designed to create the ideal environment for your plants. The included U-shaped lids and domes nurture young seedlings, providing a microclimate that boosts growth and health from sprout to maturity.

### Versatile Compatibility

Enjoy the flexibility to expand your garden with plant cups fully compatible with Click and Grow's Smart Garden 3, Smart Garden 9, and Wall Farm. Your home gardening can be as minimalist or expansive as you wish, with Grow Plant Cups ready to make the most of any setup.

### Advanced Hydration System

Never worry about uneven watering again. Each Grow Plant Cup is equipped with a water-transmitting wick, ensuring your precious plants receive a balanced water supply critical to their development and vitality.

### Durable Eco-Friendly Design

Constructed from high-quality, sustainable materials, these plastic cups are made to last, reducing waste and furthering your commitment to an environmentally conscious lifestyle while maintaining your garden's integrity.

### Package includes

- 3 x Click and Grow Plant Cups - White
- 3 x U-shaped lids
- 3 x protective domes
- 3 x water transmitting wicks
