Convenient 3-pack refill

Each Click and Grow Smart Garden Refill 3-pack purchase promises an innovative and simplified solution to your farming needs. It's no longer cumbersome to keep growing your favourite basil at home.

Superbly easy cultivation

The process involved is incredibly straightforward. Once the refill is set up with your Starter kit, your role is just to relax and wait for the magic to happen.

Nourishing and healthful basil

Basil isn't referred to as the King of Herbs without valid reasons. This beautiful green plant boasts an abundance of Vitamin A, assisting your body's system to maintain healthy organ functioning.

Suited for Smart Garden starter kit

These refills are designed explicitly for your existing Smart Garden starter kit. Rest easy knowing you are using compatible, quality refills designed by the same trusted brand.

Enhances flavour to various meals

The versatility of basil cannot be overstated. From pizzas and pasta to salads, adding these herbal leaves can transform a standard meal into a culinary delight.
