herQs Dome Thermometer - Black

Introducing the herQs Dome Thermometer, the essential tool to elevate your grilling experience and ensure perfectly prepared meals every time. With smart connectivity and long-range Bluetooth, this thermometer takes the guesswork out of grilling, making it easy for anyone to cook like a pro.

- Smart Connectivity with free herQs app
- Six-Probe Monitoring
- Long-Range Bluetooth Connectivity up to 60m
- Battery Life up to 200 hours
- Precise Temperature Ranges up to 300?
- Robust Design with IP65, FDA, and LFGB certification

Smart Connectivity
With the herQs app, the Dome Thermometer is always at your fingertips, allowing you to select predefined grilling times or customize cooking temperatures. Real-time temperature updates and progress graphs make it easy to monitor your grilling from anywhere.

Six-Probe Monitoring
The herQs Dome Thermometer supports up to six temperature probes, enabling you to watch several dishes simultaneously. This feature ensures that each item on your menu is grilled to absolute perfection.

Long-Range Bluetooth
With a powerful Bluetooth range of 60 meters outdoors, you can mingle, relax, and enjoy the party without the worry of missing crucial temperature updates. The Dome Thermometer keeps you informed from afar, ensuring you never miss a beat - or a steak.

Long Battery Life
Grill confidently with the HerQs Dome Thermometer's exceptional battery life of up to 200 hours. This allows for long summer barbecues and gatherings without the worry of the device dying.

Precise Temperature Range
The thermometer measures very accurately up to 300 ? with a minimal deviation, allowing you to measure both the general temperature in your barbecue and the temperature within your food.
