

Click & Grow Germination Domes 3-Pack

Elevate your indoor gardening experience with the Click and Grow Domes 3 pcs. These transparent germination domes are expertly designed to enhance the growth of your plants, ensuring your Smart Garden achieves its full potential. Create the ideal microclimate for your seedlings and watch them thrive in their nurturing environment.

- Designed for seamless compatibility with Smart Garden 3, Smart Garden 9, and Wall Farm
- Transparent material for visibility and monitoring of plant growth
- Provides an optimal humidity level for germination
- Lightweight and easy to handle
- A set of three to accommodate multiple plants

Compatibility with Click and Grow Systems

These Grow Domes are perfectly compatible with the Smart Garden 3, Smart Garden 9, and Wall Farm systems. They are designed to integrate seamlessly with your existing Click and Grow setup, offering an added level of precision to your smart gardening experience.

Visibility to Monitor Growth

Crafted from transparent, sturdy material, the Grow Domes 3 pcs allow you to observe your plant's development from seed to sprout without any obstruction. This transparency not only adds to the excitement of watching your garden grow but also assists in the early detection of any potential issues.

Optimal Humidity for Germination

Maintaining the proper humidity level is crucial during the germination phase. These domes create a moist and warm environment that encourages quick and healthy growth, ensuring your plants get the best start to life.

Lightweight and Easy Handling

Convenience is critical in smart gardening, so these Grow Domes are designed to be lightweight and straightforward to handle. Easily place or remove the domes as needed with minimal effort, keeping your gardening experience enjoyable and stress-free.

Accommodates Multiple Plants

Each set has three domes, allowing you to cover multiple plants or seed pods. Manage the needs of several plants simultaneously, ensuring all your young seedlings receive the same level of care and attention.
