Enhance indoor gardening with a convenient and effective solution to grow fresh produce right at home. Whether you're a seasoned green thumb or a beginner, this refill pack guarantees a garden-to-plate experience that is both rewarding and delicious.

- **Effortless Setup:** Insert the pods into your Smart Garden and let nature work magic.
- **Variety Pack:** Diversify your garden with Wild Strawberries, Chili Peppers, and Yellow Tomatoes.
- **Home Pollination:** Engage with your garden with simple hand pollination techniques.
- **Garden-to-Plate:** Enjoy the freshest ingredients straight from your kitchen.
- **Pure Harvest:** Grow clean, healthy food without herbicides, pesticides, or toxins.

Effortless Setup

Transform your kitchen into a personal farmer's market the easy way. The Click and Grow Smart Garden and the refill 9-pack make it simple for anyone to start growing fresh, homegrown fruits and veggies. No prior gardening knowledge is required. It's as simple as adding the pods to your Smart Garden and letting it do the rest.

Variety Pack

Diversity is vital to a rich diet, and the Click and Grow Smart Garden Refill 9-pack certainly delivers. It includes three pods each of aromatic Wild Strawberries, spicy Chili Peppers, and sweet Yellow Tomatoes. This colourful mix offers a delightful array of flavours and textures to spice up your meals.

Home Pollination

Embrace the whole gardening experience by assisting in the pollination of your plants right at home. This hands-on interaction allows you to become integral to the growing process. With the first flowers appearing around 50 days, a simple touch can produce abundant fruit for your enjoyment.

Garden-to-Plate

Imagine plucking ripe, sun-kissed fruits and veggies whenever you please, directly from your Click and Grow Smart Garden. The Garden-to-Plate experience means fresher ingredients, more potent flavours, and the unparalleled satisfaction that comes from growing your very own produce.

Pure Harvest

With the Click and Grow system, you can trust that your harvest will be as clean as it is tasty. Our commitment to sustainability ensures that no herbicides, pesticides, or other toxins are used in our products. This way, you get to cherish food that's delicious and free from unwanted chemicals.
