Click & Grow Plant Pods 3-Pack - Calendula

Discover Calendula's captivating beauty and healing properties with our Click & Grow Smart Garden Refill 3-pack. This splendid flower, cherished since the 12th century, not only adds a vibrant splash of colour to your indoor garden but is also prized for its beneficial effects. Grow your own Calendula effortlessly and savour the taste and therapeutic benefits of homegrown, all-natural greens all year round.

- Hassle-free, automated growing process
- Purity guaranteed—no GMOs, herbicides, or pesticides
- Nutrient-rich plant pods with included seeds
- Antioxidant-packed for health and wellness
- Grow at home to bring you closer to nature

Hassle-free, automated growing process
Our Click & Grow Smart Garden empowers you to cultivate Calendula with ease. The smart indoor garden system manages watering, lighting, and nutrient distribution, ensuring plants flourish without constant attention or a green thumb. With this refill pack, maintaining a consistent supply of Calendula is as simple as inserting the pods and letting the Smart Garden do the rest.

Purity guaranteed—no GMOs, herbicides, or pesticides
Join the movement towards healthier, sustainable living by choosing our Click & Grow products. Our Calendula plant pods are entirely free of GMOs, herbicides, and pesticides, providing you with the purest flowers. Revel in the peace of mind of knowing your Calendula is grown in a clean, controlled environment.

Nutrient-rich plant pods with included seeds
Each Smart Garden refill pod arrives pre-packaged with premium seeds and all the nutrients needed for the entire life cycle of your Calendula plant. There's no need for additional fertilizers; we've taken care of the details so you can enjoy your herbs' flourishing growth and rich flavours.

Antioxidant-packed for health and wellness
Calendula is renowned for its high antioxidant contents, such as triterpenes, flavonoids, polyphenols, and carotenoids. By growing your own, you have direct access to these health-enhancing compounds. Whether added to salads or brewed as a calming tea, Calendula from your Click & Grow garden is a natural boost for your well-being.

Grow at home to bring you closer to nature
Experience the joy of gardening in the comfort of your home any day of the year. Our Smart Garden Refill 3-pack encourages you to connect with nature and relish the satisfaction of cultivating your own vibrant Calendula. Whether gracing your kitchen or living room, this delightful plant offers beauty and tranquillity.
