Grow fresh Pak Choi at home for Asian-inspired dishes

Enjoy garden-fresh Pak Choi anytime without a backyard. These capsules deliver crisp leaves and tender stems perfect for everyday cooking, so you can plate authentic, vibrant flavors right from your Smart Garden.

Made for Click and Grow Smart Garden systems (Starter Kit required)

Seamlessly compatible with Click and Grow Smart Garden units. Just insert the capsules into your Smart Garden Starter Kit, add water, and let the system do the rest—no green thumb required.

Convenient 3-pack of ready-to-use plant capsules

Stock up and keep the harvests coming. Each capsule is pre-seeded and ready to grow, giving you a simple, consistent way to cultivate multiple rounds of Pak Choi.

Versatile flavor for stir-fries, braises, soups, or raw dishes

Pak Choi's mild, slightly sweet taste and crisp texture make it a kitchen staple. Toss into a quick stir-fry, add to warming broths, braise for tenderness, or slice raw for a refreshing crunch.

A time-honored Asian green with over 5000 years of culinary heritage

Also known as Bok Choy or Pak Choy, this beloved brassica has deep roots in Chinese cuisine and tradition. Bring its celebrated flavor and texture into your home cooking with ease.
