Designed in Italy
Bring a considered finishing touch to your walls. The Italian-designed Iotty front plate combines a clean, modern appearance with attention to detail.

High-quality tempered glass
The tempered glass front plate gives your switch an elegant finish. Its high-quality material complements the look of a thoughtfully designed smart home.

Made for 2-gang
This front plate is designed for an Iotty Smart Switch in 2-gang. Pair it with the appropriate Smart Switch Base to complete your switch.

Interchangeable front plate
Change the appearance of your switch without committing to one finish. The interchangeable design lets you choose a different front plate when you want to update your interior.

Five colours to suit your home
Choose from white, black, blue, grey or tan. Match your front plate to your walls for a coordinated look, or select a contrasting colour to make the switch stand out.
