Versatile Lighting Options

Each light source in the Smart Corner Lamp contains a staggering 64 million colour combinations! Whether you want to set a romantic mood or brighten your space with vibrant colours, the choice is yours.

Fully Programmable through TUYA App

The Smart Corner Lamp offers you complete control through the TUYA App. You can change brightness, switch colours, set timers, or construct scenarios. You can even pre-program 20 functions on the power supply button for quick selection.

Syncs to Music to Create a Dynamic Ambiance

With a built-in microphone, the Smart Corner Lamp can flash or change colours to the beat of your music. It follows rhythm seamlessly, elevating your music-listening experience to a whole new level of enjoyment.

Easy Wi-Fi Connection

With its user-friendly design, the Smart Corner Lamp connects to your Wi-Fi in just a few seconds. The set-up is simple, ensuring you can enjoy your new lighting experience immediately.

Google and Alexa Compatible

The Smart Corner Lamp works flawlessly with Google and Alexa. This feature allows you to control your lighting atmosphere using voice commands. If you have multiple light sources, you can group them for a uniform command execution.
