Lite Bulb Moments Smart Light Chain - Globe 3 cm

Lite Bulb Moments smart string lights Globe 3 cm bring flexible, connected lighting to outdoor and indoor spaces. With 10 metres of lighting, 50 LED globes, app control, voice control and IP65-rated string lights, they are designed for patios, balconies, gardens, parties and everyday decorative lighting.

- 16 million colour options for flexible ambient lighting
- App control with dimming, timers and custom scenes
- Music sync through the built-in microphone
- Voice control with Google Assistant and Amazon Alexa
- IP65-rated string lights for indoor and outdoor use

16 million colour options for flexible ambient lighting

Choose from more than 16 million RGB colour combinations to create the right setting for any occasion. Use soft tones for relaxed evenings, brighter colours for celebrations or custom colour scenes for decorative everyday lighting.

App control with dimming, timers and custom scenes

Control the string lights directly from your smartphone using the Tuya app. Adjust brightness, set timers and create lighting scenes that suit your routines, outdoor areas or indoor spaces. The lights connect through a 2.4 GHz Wi-Fi network for stable smart control.

Music sync through the built-in microphone

The built-in microphone lets the lights react to sound and music. Colours and effects can change with the rhythm, making the string lights well suited for parties, gatherings and social settings where the lighting should follow the mood.

Voice control with Google Assistant and Amazon Alexa

Control the lights hands-free using Google Assistant or Amazon Alexa. Turn the lights on or off, adjust settings or change the atmosphere with simple voice commands, without needing to use your phone.

IP65-rated string lights for indoor and outdoor use

The string lights are IP65-rated, making them suitable for outdoor use in rain and changing weather conditions. They are ideal for gardens, terraces, balconies and indoor decorative lighting. The included power adapter is rated IP44 and should be positioned with suitable protection from heavy exposure.

Package includes

- 1 x Lite Bulb Moments smart string lights with controller Globe 3 cm
- IP44 power adapter
- User manual
