

Lite Bulb Moments Smart Light Chain – Vintage Edison - White

Enhance your outdoors with the Lite Bulb Moments' Smart Light Chain – Vintage Edison: a merge of modern technology with classic aesthetics, designed to illuminate your patio with a warm, inviting glow that is easily controlled from your smart devices and compatible with Alexa and Google Assistant. Made from high-quality, energy-efficient LED bulbs, it can endure the harshest weather, ensuring that your nights remain bright and enjoyable. Transform your outdoor space into your perfect evening hangout.

- Elegant Vintage Design
- Smartphone Compatibility
- Voice Control Functionality
- Energy-Efficiency and Quality
- Waterproof Construction

Elegant Vintage Design

Explore the timeless elegance of Lite Bulb Moments' Smart Light Chain – Vintage Edison. Its retro design not only enhances the beauty of your patio but also gives it a charming vintage appeal. It's indeed more than just illumination, it's a style statement.

Smartphone Compatibility

Bringing the power of control to your palms, the Smart Light Chain is easily operable via your smartphone. Connected seamlessly to your WiFi, you can manage your outdoor lighting swiftly and effortlessly using the TUYA App.

Voice Control Functionality

Modifying the way you light your space with the integration of today's most popular intelligent assistants, Alexa and Google Assistant. Simply adjust your lighting atmosphere using effortless and hands-free voice commands.

Energy-Efficiency and Quality

While providing optimal performance, the Smart Light Chain is just as mindful of the environment. With an energy class F rating, the lights utilise minimal energy. It comes fitted with superior Sanan-e LED chips and features ten LED bulbs, delivering nothing but high-quality illumination.

Waterproof Construction

Expect no interruptions with this smart addition to your patio decor. With IP44 and IP65 waterproof ratings for the socket and string lights, respectively, the Smart Light Chain can consistently deliver a brilliant performance, evolving with the changing weather.
