- Effortlessly Control Light Color and Ambience
- Connects Directly to WiFi for Easy Set-Up
- Flexible LED Strip with a Quality Silicone Socket
- Dazzling Length of 5000 mm to Brighten Large Areas
- Energy-Efficient with a Lifetime of 25,000 hours

Effortlessly Control Light Color and Ambience
Imagine creating warm or vibrant atmospheres with a mere touch. With our Lite Bulb Moments' smart LED strip, controlling the color and ambience of your room is effortless, enabling you to tailor your lighting to your needs and tastes.

Connects Directly to WiFi for Easy Set-Up
Avoid the fuss of bridges and additional accessories. Integrated with WiFi connectivity, our LED strip lights can be easily set up and managed via the TUYA app, enabling seamless light control over your home.

Flexible LED Strip with a Quality Silicone Socket
Made to blend flawlessly with your space, our LED strip comes with a silicone socket providing flexibility and straightforward installation. Leave the worries of clumsy, rigid LED strips behind and experience a swift and seamless installation.

Dazzling Length of 5000 mm to Brighten Large Areas
Whether for a party, a festive occasion or a tranquil evening at home, our LED strip, with an extraordinary length of 5000 mm, ensures sufficient lighting to cater to your requirements versatilely.

Energy-Efficient with a Lifetime of 25,000 hours
Investing in Lite Bulb Moments' Smart LED strip is investing in long-lasting, energy-efficient brilliance. With up to 25,000 hours of lifetime, expect to save on energy while enjoying the warm-coloured ambience of your rooms.
