big difference**

It's the little bright moment that makes a big difference.
Bulb No. 1 in the series.

Lite Bulb Moments White Ambience E27 Filament Bulb - Single Pack

The Lite Bulb Moments White Ambience E27 Filament Bulb - Single Pack is a smart lighting solution designed to simplify your life and adapt to your rhythm. This energy-efficient bulb offers dimmable light output and a full spectrum of RGB colors. Designed to work with your existing Wi-Fi network, this filament bulb is user-friendly and easy to install, offering smart technology control through the compatible TUYA app. This bulb can also sync with Google Home Assistant or Amazon Alexa for effortless voice control.

- Follows your circadian rhythm
- Offers full RGB color scale
- Compatible with Google Home Assistant or Amazon Alexa
- No extra hub needed
- Includes a timer function

Adapts to Your Circadian Rhythm

The Lite Bulb Moments smart bulbs mimic the sun's natural daylight pattern, adapting light quality with your circadian rhythm. This ensures you are exposed to the correct amount of light needed to regulate your sleep patterns and energy levels.

Wide Range of Colors

Explore the full RGB color scale to set the perfect mood for every moment. With up to 64 million colors to choose from, you have the freedom to customize your lighting to your preference.

Voice Control Compatibility

With compatibility to both Google Home Assistant and Amazon Alexa, you can effortlessly control your lighting through simple voice commands. This feature enhances your convenience in operating the lighting conditions of your space.

Easy Installation

No additional hub is needed for your Lite Bulb Moments set up. The light sources are connected directly to your Wi-Fi network for a secure and fast installation via the Lite app.

Built-in Timer Function

This smart bulb includes a timer function, allowing you to set automatic on and off routines. This can help you reduce your energy consumption and ensures your lights are on when you need them to be.

Setup/ installation

The light supports both Wi-Fi and Bluetooth. Supports both 2.4GHz and 5GHz networks.

Use the step by step guide in the TUYA app

You can find the TUYA - app in Google Play Store or in Apple App Store.
