

Lite Bult Moments Smart Light Chain - Diode

Create an extraordinary atmosphere on any occasion with the Smart Light Chain - Diode from Lite Bult Moments. This versatile light chain offers a range of programmable options to set the perfect mood with the help of the TUYA app. Compatible with Alexa and Google, it allows voice-controlled commands adding convenience to its functionality.

- 64 Million Color Combinations
- Fully Programmable with TUYA App
- Sound Sync Capability
- Easy Wi-Fi Connectivity
- Indoor and Outdoor Usage

64 Million Color Combinations

Immerse yourself in a brilliant display of colours, with each light source offering 64 million colour combinations. Whether it's Christmas or a summer party, you can customize your lighting to your taste and create a mesmerizing ambience.

Fully Programmable with TUYA App

Control the brightness, colour, set timers, or create scenarios with the TUYA app. You can also switch to 20 pre-programmed functions at the touch of the button on the power supply, ensuring a seamless lighting experience.

Sound Sync Capability

Add rhythm to your lighting with the built-in microphone that allows the light chain to flash or change colours in sync with the music. It's not just a light chain; it's the life of your party.

Easy Wi-Fi Connectivity

Setting up your light chain is as easy as connecting it to your Wi-Fi. Within a few seconds, your light chain is ready to dazzle, making it a hassle-free addition to your festivities.

Indoor and Outdoor Usage

The Smart Light Chain can be used both indoors and outdoors. It is IP65 waterproof, so rain or snow is not a problem. However, avoid submerging it underwater for long periods.
