

Lite bulb moments Smart Cherry Blossom Tree Lamp

Elevate your living space with the immersive and dynamic light experience of Lite Bulb Moments' Smart Cherry Blossom Tree Lamp. The lamp is a versatile addition to any room, setting the ambience how you like it. With 64 million colour combinations and a spectrum of features such as programmable brightness, colour, and timer settings, you can effortlessly express your mood and individual style.

- Indoor and Outdoor Use
- 64 Million Color Combinations
- Fully Programmable
- Music Sync Capabilities
- Compatibility with Google and Alexa

Indoor and Outdoor Use

The Smart Cherry Blossom Tree Lamp is designed for indoor and outdoor use, making it the perfect accessory to accentuate your living room, children's room, or terrace. Instantly invigorate your home with this innovative light experience.

64 Million Color Combinations

Unleash your creativity with an astounding 64 million colour combinations. Each light source has this dynamic feature, allowing you to curate an environment that reflects your unique taste and mood.

Fully Programmable

The Smart Cherry Blossom Tree Lamp is entirely programmable, whether adjusting the brightness, altering the colour, setting a timer, or creating your scenarios. Manage these settings easily through the TUYA app.

Music Sync Capabilities

The built-in microphone lets your Cherry Blossom Tree Lamp light up the music and follow the rhythm, establishing an immersive and dynamic lighting experience. You can choose from 20 pre-programmed functions with a simple button press at the power supply.

Compatibility with Google and Alexa

Take convenience to a new level with compatibility with Google and Alexa. Control your Smart Cherry Blossom Tree Lamp through voice commands, and if you have multiple lights, group them to follow the same command.
