- Unleash 64 Million Color Combinations
- Fully Programmable via the TUYA App
- Built-in Microphone for Music Sync
- Compatible with Google and Alexa
- Durable with IP65 Waterproof Rating

Unleash 64 Million Color Combinations

Take your pick from a vast array of 64 million colour combinations. Let the Smart Light Chain paint your parties with the hues of your choice and watch your surroundings come alive with colors.

Fully Programmable via the TUYA App

Control the brightness, set timers, or create custom scenarios, all from the convenience of your smartphone. The TUYA app puts you in total command of your Smart Light Chain, making it simple and fun to use.

Built-in Microphone for Music Sync

Want to make your lights dance to the rhythm of your favourite songs? The Smart Light Chain's built-in microphone allows the lights to flash or change colour in tune with the music.

Compatible with Google and Alexa

You don't always need to adjust the settings manually. The Smart Light Chain can follow voice commands through Google and Alexa, providing hands-free control and making tasks easier.

Durable with IP65 Waterproof Rating

Do not worry about weather conditions – the Smart Light Chain has an IP65 waterproof rating. Rain or snow, the light chain will continue to shine bright. However, prolonged submersion underwater should be avoided for enhanced durability.
