

Introducing the WOOX Smart Outdoor Wireless Camera Kit, a stylish and high-quality security solution that ensures your peace of mind. With advanced features and energy-efficient solar charging, this camera kit combines cutting-edge technology with eco-friendly energy usage, making it the ideal choice for safeguarding your home.

- Weatherproof and UV resistant; IP65 certified
- Hassle-free wireless connection with rechargeable battery
- Green, energy-efficient solar charging
- Advanced two-way audio communication
- Motion and sound detection with live alerts

Weatherproof and UV resistant; IP65 certified

The WOOX Smart Outdoor Wireless Camera is IP65 certified, making it perfectly suited for any outdoor environment. Whether it's rain or shine, this camera is designed to withstand the elements and continue recording. Its UV resistance allows the camera to function effectively even in strong ultraviolet light conditions, ensuring your home remains protected year-round.

Hassle-free wireless connection with rechargeable battery

Enjoy seamless wireless integration with the built-in non-replaceable 5200mAh rechargeable battery, providing up to three months of operation on a full charge. Charging is quick and easy with the included USB-C cable, taking only four hours to fully recharge. The WOOX Home app will notify you when the battery is low, ensuring no interruptions in your security coverage.

Green, energy-efficient solar charging

The WOOX Smart Outdoor Wireless Camera Kit is equipped with a 3-watt solar panel for continuous charging from sunlight. This eco-friendly feature not only saves on energy costs but also minimizes the camera's environmental footprint. Keep your property secure while embracing sustainable energy solutions.

Advanced two-way audio communication

Utilize the "WOOX Home" app for convenient two-way audio communication, allowing you to listen and speak through the camera at any time. Whether instructing delivery personnel or deterring potential intruders, the WOOX camera ensures your voice is heard when it matters most.

Motion and sound detection with live alerts

Stay informed in real-time with the camera's motion and sound detection capabilities. Receive instant alerts via the app, making it easy to monitor and respond to any suspicious activity. To enhance security further, the camera includes six LED lights and a siren function, which can be activated through smart automation settings.

Package includes:

- Smart Outdoor Camera x 1
- Solar panel
- USB-C charging cable x 1
- User manual x 1
- Screw bag x 1
- Security sticker x 2
- Installation brackets for camera & solar panel

Product specifications:

- Product dimensions: 91x64x61mm (camera), 47.8x47.8x77mm (bracket), 120x175x50mm (solar panel)
- Housing material: PC (bracket: PC+ABS+Iron), color: Black
- Image sensor: 1/2.8" 4Megapixel CMOS
- Video resolution: UHD (2560*1440) / SD (640*360) @15fps, compression: H.264 / H.265
- Audio compression: G711U
- Frame rates: Main Stream: 1Mbps / Sub Stream: 384Kbps
- IR distance: up to 10 meters
- Number of LED lights: White: 3pcs, Infrared: 6pcs
- Battery: 3.7V 5200mAh Lithium (non-replaceable), approx. 3.5 months charged
- Working consumption: 240mA, standby: 450uA
- Network: IEEE 802.11 b/g/n 2.4GHz Wi-Fi
- Working temperature: -20° to +60°, humidity: 10%-95% (no condensation)
- Voice control: Compatible with Amazon Alexa and Google Home, with streaming over Echoshow and Nest Hub.
