Discover the joys of having your own indoor garden with Click & Grow's Asian Cuisine Mix. Suitable for everyone from beginners to green-thumbed gardeners, our Asian Cuisine Mix allows you to easily cultivate various Asian herbs and salads, adding fresh flavours to all your favourite dishes.

- Effortlessly grow Pak Choi, Red Kale, and Mibuna in your kitchen.
- Start harvesting your greens in just 30-40 days.
- Savour the "cut and grow again" convenience for up to 8 weeks.
- Indulge in fresh, clean food without herbicides, pesticides, or toxins.
- Experience the simplest smart indoor gardening with automated care.

Grow Fresh With Ease

The Click & Grow indoor garden takes the guesswork out of growing. Insert the Asian Cuisine Mix plant pods and let our smart garden do the rest. You'll enjoy the freshest herbs and salads without any of the usual hassle. With our system, whether you're a seasoned gardener or a complete beginner, you'll feel like a gardening pro.

Harvest Quickly And Continue Growing

Your Asian Cuisine Mix will be ready for its first harvest in approximately 30-40 days. Thanks to the innovative design of Click & Grow plant pods, you can practice "cut and grow again," ensuring your smart garden continues to produce for up to 8 weeks. Keep your kitchen stocked with the freshest greens possible.

Enjoy Clean, Healthy Food

Click & Grow is committed to your health and safety. Our Asian Cuisine Mix is free from herbicides, pesticides, and other toxins, giving you the peace of mind that comes with clean eating. You can focus on creating delicious meals with the confidence that you're feeding yourself and your family wholesome food.

The Easiest Indoor Garden

We've designed the Click & Grow smart gardens as the most user-friendly indoor gardening solution. Insert your plant pods, and watch them grow. The smart garden takes care of your watering, lighting, and nutrients. This is homegrown, the smart way.

Garden-To-Plate Freshness

With the Click & Grow Asian Cuisine Mix, the farm-to-table concept is at your fingertips. Transform your kitchen into a haven for fresh food. Enjoy the experience of adding garden-fresh herbs and salads to your salads, smoothies, stir-fries, or even as a healthy snack straight from the smart garden to your plate.
