Discover the ultimate blend of sophistication and smart technology with the Satechi FindAll™ Vegan Leather Glasses Case in Desert Rose. This premium case protects your eyewear with luxury vegan leather while integrating Apple Find My technology to locate misplaced glasses instantly. Perfect for travel, it features scratch-proof microfiber lining, secure magnetic closure, and effortless wireless charging—keeping your glasses safe and accessible anywhere.

- Apple Find My integration with audible chime and directional tracking
- Wireless charging & 8 months of battery life
- Premium vegan leather exterior with elegant Desert Rose finish
- Protective microfiber interior to prevent scratches
- Secure magnetic closure for quick one-handed access
- Compact travel-friendly design folds flat for portability

Apple Find My Integration
Never lose your glasses again! Integrated Apple Find My support provides step-by-step directions via your iPhone or triggers an 80-90 dB audible chime to locate misplaced eyewear within 20-50 meters outdoors. Bluetooth 5.4 ensures fast, reliable tracking—perfect for busy lifestyles.

Premium Vegan Leather Exterior
Crafted with vegan leather in a sophisticated Desert Rose hue, this case offers durable, weather-resistant protection while complementing any style. The sleek minimalist design ensures your eyewear stays shielded from impacts and elements without compromising on elegance—ideal for daily use or travel adventures.

Protective Microfiber Interior
Your glasses rest on a plush microfiber lining that cushions lenses and frames against scratches, dust, and damage. This gentle yet resilient interior maintains your eyewear's pristine condition, whether stored in a bag, desk, or suitcase during commutes or global trips.

Secure Magnetic Closure
Engineered for convenience, the strong magnetic closure snaps shut securely while allowing effortless one-handed access. No fumbling with zippers or clasps—simply open and retrieve your glasses instantly. The reliable seal ensures your eyewear stays protected even in motion.

Compact Travel-Friendly Design
Designed for life on the go, this case folds flat to slip into pockets, purses, or luggage compartments. Its slim profile (16.21 cm x 6.71 cm when folded) maximizes portability without sacrificing robust protection. Ideal for commuters, travelers, or daily errands.

Wireless Charging
Say goodbye to disposable batteries with the convenience of wireless recharging. The 150mAh lithium battery supports Qi, Qi2, and MagSafe charging for up to 8 months of uninterrupted use on a single charge. A sleek LED indicator lets you know when your case is fully powered, glowing green when ready and orange while charging.
