

The WOOX Security Kit Pro is an effective and comprehensive digital protection system for your home or office. Covering a variety of safety needs, this smart kit, built on reliable Zigbee technology, ensures that your belongings are secure and protected. Each device in the kit interacts seamlessly with other WOOX home devices, and can also be voice-controlled by Google Assistant and Amazon Alexa. Don't just protect your space; smartly secure it with the WOOX Security Kit Pro.

- Comprehensive Security Coverage
- Smart Zigbee Technology
- Full Interconnectivity
- Easy Integration with Google Assistant and Amazon Alexa
- Remote Control via WOOX Home App

Comprehensive Security Coverage:

This security kit includes eight diverse devices dedicated to protecting, detecting, and alerting - be it unwanted intrusions, smoke alarms, or water leaks. Experience peace of mind knowing your space is comprehensively protected.

Smart Zigbee Technology:

The WOOX Security Kit Pro is built on reliable Zigbee technology, ensuring robust and secure communication between devices in your security network.

Full Interconnectivity:

Every device in the security kit is designed to interact seamlessly with all other WOOX home devices. This offers a fully integrated home security ecosystem within one familiar brand - WOOX.

Easy Integration with Google Assistant and Amazon Alexa:

Manage your home security hands-free! The security kit offers easy and intuitive voice control compatibility with Google Assistant and Amazon Alexa.

Control from Anywhere, Anytime:

Keeping an eye on your home or office has never been easier! With the free WOOX Home app, you can control and monitor your security devices from your phone, wherever you are.
