Seamless Compatibility
Enjoy a flawless experience across a range of iPad models. The ALOGIC iPad Stylus Pen pairs perfectly with iPad Pro (12.9" and 11"), iPad Air, and iPad Mini, ensuring optimal performance and functionality. Its wireless charging and magnetic attachment capabilities are specifically tailored for the latest models, keeping you ahead in technology.

Fast and Efficient Charging
Stay powered without worry. The stylus charges rapidly via USB-C, reaching full capacity in just 90 minutes. Once charged, it promises up to 10 hours of uninterrupted use and impressively remains on standby for 30 days, ensuring your stylus is always ready when creativity strikes.

Innovative Palm Rejection Technology
Achieve authentic handwriting without compromise. The ALOGIC iPad Stylus Pen features advanced palm rejection technology, allowing you to rest your palm naturally on the tablet. This feature ensures your focus remains on your work by preventing unwanted touch inputs and awkward hand positions.

Durable Design
Enhance your creativity with a stylus that offers both functionality and enduring performance. Its robust design is backed by a two-year warranty, ensuring it withstands the rigors of daily use, making it a reliable companion for all your digital tasks.

Intuitive Magnetic Attachment
Experience the convenience of easy-to-use technology. The stylus magnetically attaches to the side of your compatible iPad, simplifying the processes of pairing, charging, and storing. This practical feature ensures that your stylus is always within reach and ready for use.

Ultra Build Quality
The Alogic iPad Stylus Pen is crafted from high quality materials guaranteeing a longer lifespan from daily wear and tear. The tip is replaceable and interchangeable with Apple genuine replacement tips.
