BRYDGE

Brydge Aluminum Keyboard for iPad 10.2" (2019 - 2021) Nordic Layout - Space gray

Enhance your iPad experience with the Brydge Aluminum Keyboard for iPad 10.2" (2019 - 2021) – Nordic layout in elegant Space Gray. This premium accessory transforms your tablet into a highly productive laptop-like device, perfect for typing, viewing, and interacting with your iPad in new, efficient ways. The sleek aluminum body, adjustable backlit keys, and precise viewing angles offer an unmatched typing experience that seamlessly integrates with your lifestyle.

- Custom-designed for the iPad (7/8/9th Gen)
- Versatile Bluetooth wireless connectivity
- Dynamic 0-180° viewing angles
- Adjustable backlit keys for typing in any light
- Long 12-month battery life per charge
- Dedicated iOS Keys

Custom-designed for the iPad (7/8/9th Gen)
Perfect for those who want to get the most out of their iPad (7/8/9th Gen), the Brydge Aluminum Keyboard is crafted to complement both the form and function of your device. It turns your tablet into a versatile tool that is ideal for productive tasks, note-taking, and multimedia consumption.

Versatile Bluetooth Wireless Connectivity
Experience freedom from cables with advanced Bluetooth technology that effortlessly pairs your iPad with the Brydge keyboard. The wireless connection is stable and reliable, providing a seamless typing experience that keeps up with your mobile lifestyle.

Dynamic 0-180° Viewing Angles
Adapt to any situation with patented hinge technology that allows a full 180 degrees of viewing ability. Whether you are giving a presentation, watching a movie, or typing up a report, find the perfect angle that suits your needs.

Adjustable Backlit Keys
Work comfortably in low-light conditions with three levels of LED backlighting. The keys illuminate to fit your environment, providing an optimal typing experience day or night, without straining your eyes.

Long 12-Month Battery Life Per Charge
Keep working without interruption. The Brydge Aluminum Keyboard boasts an impressive 12-month battery life per charge, ensuring that you stay productive and focused on your tasks without the constant need to recharge.
