Discover unparalleled protection and versatility with the Pipetto Origami No2 Pencil Shield for your iPad 10.9" (10th gen). Designed for functionality and protection, this case is the perfect companion for your device and Apple Pencil. With military-grade durability and innovative stand positions, the Origami No2 Pencil Shield shields your iPad while offering a seamless user experience.

- Versatile 5-in-1 Stand Options
- Military Standard Drop Protection
- Integrated Apple Pencil & Logitech Crayon Storage
- Anti-microbial and anti-bacterial Materials
- Auto Sleep-Wake Functionality

Versatile 5-in-1 Stand Options

Choose from five different stand configurations for an optimal viewing and typing experience. Whether you're typing, watching your favourite shows, or on a video call, our Origami No2 Pencil Shield provides stability and convenience. The case easily transforms into two typing and viewing positions similar to Apple's own Smart Cover, adds two additional folding positions for watching on unstable surfaces, and includes a portrait position ideal for FaceTime.

Military Standard Drop Protection

Our case meets the stringent specifications of Military Standard MIL-STD-810G, meaning it has survived 26 drops from over 4 feet onto a concrete surface. With the Origami No2 Pencil Shield, your iPad can handle everyday life's bumps and drops.

Integrated Apple Pencil & Logitech Crayon Storage

Our case provides a haven for your Apple Pencil (1st Gen, USB-C) or Logitech Crayon, and it also allows for syncing and charging without removing the Apple Pencil from the case. Convenience and protection are at the heart of our design.

Anti-Microbial and anti-bacterial Materials

The case is crafted with anti-microbial and anti-bacterial materials certified to kill 99.9% of bacteria. Effective for the case's lifetime, these materials ensure your device remains hygienic, complementing your clean lifestyle.

Auto Sleep-Wake Functionality

Our intelligent design includes an auto sleep-wake feature that extends your iPad's battery life by up to 20%. Close the cover to put your iPad to sleep and open it to wake the device – saving energy and keeping you productive for longer.
