Versatile 5-in-1 Folding Design

Enjoy unparalleled flexibility with the Pipetto Origami No. 1 Case's unique folding design. Whether you're typing, viewing, or video calling, this case adapts to your needs. The ingenious origami-style folds allow you to switch effortlessly between multiple viewing angles, including portrait mode for immersive reading and landscape for comfortable typing. It even provides a stable base for use on uneven surfaces or in bed, ensuring comfort in any situation.

Shock-Absorbent TPU Material for Maximum Protection

Your iPad Mini 6 deserves the best protection, and that's exactly what the Pipetto Origami No1 Case delivers. Crafted from high-quality, shock-absorbent TPU material, this case acts as a protective cocoon for your device. It covers every edge and corner, shielding your iPad from accidental drops and impacts. With this level of protection, you can use your device with complete peace of mind, wherever you go.

Compatible with Apple Pencil 2nd Gen Sync and Charge

Creativity shouldn't be hindered by your case, and with the Pipetto Origami No. 1, it won't be. This case is fully compatible with the Apple Pencil 2nd Gen, allowing for seamless sync and charge capabilities. Attach your Apple Pencil easily and ensure it's always charged and ready for when inspiration strikes. This thoughtful design ensures that your productivity and creativity are never compromised.

Auto Sleep-Wake Functionality

Extend your iPad's battery life effortlessly with the case's intelligent auto sleep-wake functionality. Simply open the cover to wake your iPad, ready for immediate use. Close it, and your device instantly goes to sleep, conserving energy and potentially extending battery life by up to 20%. This smart feature not only adds convenience but also significantly improves your device's daily usability.
