Slim profile with robust protection

Pipetto's Metallic Origami Case offers a streamlined design without compromising on safeguarding your device. The shock-absorbent TPU shell features internal air pockets, while the magnetic front cover provides superior protection against bumps and drops. This perfect blend of form and function ensures your iPad stays safe in style.

Versatile 5-in-1 foldable design

Experience unparalleled versatility with the innovative Origami 5-in-1 folding design. Whether you need the perfect viewing angle, a comfortable typing position, or a stable base for soft surfaces, this case has you covered. It even offers a portrait position for convenient video calls, adapting to your every need with ease.

Enhanced battery life with sleep-wake function

Maximize your iPad's potential with the smart auto sleep-wake functionality. By automatically activating when you open or close the cover, you can enjoy up to 20% extended use between charges. This intelligent feature, combined with a clean, wipeable surface, ensures both convenience and longevity for your device.

Compatible with iPad 10.2-inch 8th (2020) & 7th (2019) Generation

Designed specifically for the iPad 10.2-inch models, this case guarantees a perfect fit for both the 8th Generation 2020 and the 7th Generation 2019 versions. Enjoy seamless access to all ports and functions, making it the ideal companion for your iPad.

Premium silver finish for a touch of elegance

Make a statement with the sophisticated silver finish of the Pipetto Metallic Origami Case. This sleek and modern design not only protects your iPad but also enhances its appearance, ensuring you stay on-trend while enjoying peace of mind.
