Pipetto Origami No1 Case for iPad Mini 8 (A20 Pro) - Black

Pipetto Origami No1 Case for iPad Mini 8 (A20 Pro) – Black
Protect your iPad mini without adding unnecessary bulk. The Pipetto Origami No1 combines a slim, lightweight design with drop protection, five versatile stand positions and convenient Apple Pencil attachment. Designed for everyday use, it makes reading, watching, working and travelling more comfortable.

- Slim protection against drops up to 1.1 m
- Five stand positions for everyday comfort
- Integrated Apple Pencil holder with magnetic attachment
- Soft screen protection and a clear back
- Automatic sleep and wake to help save battery

Slim protection against drops up to 1.1 m
A flexible, shock absorbent TPU shell with internal air pockets helps protect your iPad mini against everyday knocks and drops from up to 1.1 m. At just 130 g, the case keeps your device easy to carry without unnecessary bulk.

Five stand positions for everyday comfort
The folding Origami cover gives you five practical ways to position your iPad. Use portrait mode for reading and video calls, or landscape viewing mode for films and browsing. The soft surface position provides stable viewing on a bed, sofa or uneven surface, while the keep clean position raises your iPad away from messy surfaces. For typing, gaming, sketching and taking notes, choose the ergonomic lay flat position.

Integrated Apple Pencil holder with magnetic attachment
Keep your Apple Pencil conveniently attached to your iPad mini using the integrated holder and discreet side groove. Both Apple Pencil Pro and Apple Pencil (USB-C) can attach magnetically, while Apple Pencil Pro also supports wireless pairing and charging. The holder provides magnetic attachment rather than enclosed Pencil storage.

Soft screen protection and a clear back
The soft touch PU cover and premium microfibre lining help protect your screen from scratches, dirt and everyday wear. A clear polycarbonate back keeps the design lightweight and lets you personalise the look of your iPad. The black cover adds a simple, understated finish.

Automatic sleep and wake to help save battery
The automatic sleep and wake function helps preserve battery life between charges, putting your iPad to sleep when you close the cover and waking it when you open it. The case also comes with Pipetto's Lifetime Warranty and a 14 day no quibble returns policy.
