Pipetto Origami No1 Original Case for iPad Air 11 (M4/M3/M2) / iPad Air 10.9 (2022/2020) - Lilac

Slim protection, flexible viewing and thoughtful everyday details. The Pipetto Origami No1 Original Case in Lilac combines a shock-absorbing shell with a versatile folding cover, giving you five ways to position your iPad without adding unnecessary bulk.

- Five stand positions for everyday use
- Drop protection up to 1.1 metres
- Apple Pencil compatibility
- Premium materials with a clear back
- Auto sleep and wake to help extend battery life

Five stand positions for everyday use
Fold the Origami cover into the position that suits your task. Use portrait mode for reading and video calls, landscape mode for watching content, or the ergonomic low position for typing, gaming and drawing. Two additional landscape positions provide a wider base for soft surfaces or help minimise cover contact with messy surfaces when travelling.

Drop protection up to 1.1 metres
The flexible TPU shell absorbs shocks, while internal air pockets help protect your iPad from drops of up to 1.1 metres. Full edge protection adds reassurance when carrying your iPad between home, work and wherever you use it next.

Apple Pencil compatibility
A discreet groove along the side accommodates your Apple Pencil and allows supported magnetic pairing and charging through the case. The case is compatible with Apple Pencil Pro, Apple Pencil 2 and Apple Pencil USB-C. Pencil compatibility and charging depend on your iPad and Apple Pencil model.

Premium materials with a clear back
The soft vegan leather PU cover is lined with genuine microfibre to help protect your screen. A clear polycarbonate back keeps the design lightweight and lets your iPad remain visible, with room to personalise its appearance. The case comes with a lifetime warranty and a 14-day returns policy.

Auto sleep and wake to help extend battery life
Open the cover to wake your iPad and close it to put it to sleep. This automatic function helps reduce unnecessary battery use and can provide up to 20% longer between charges.
