- Auto Sleep-Wake for Battery Extension

Versatile 5-in-1 Origami Stand Positions
Our unique Origami cover will revolutionize the way you use your iPad Air. Unfold and arrange your case into various positions, including portrait for reading or video calls, ergonomic lay-flat for comfortable typing and drawing, and multiple landscape angles for optimal viewing experiences on any surface.

Full-Edge Shock Absorption
The flexible and impact-resistant TPU shell, integrated with internal air pockets, allows the case to offer up to 1.1m drop protection. The Black Pipetto Origami No1 case is engineered to withstand drops and shocks. Enjoy peace of mind knowing your device is fully protected from everyday bumps and falls.

Apple Pencil Compatibility
Designed with the tech-savvy user in mind, this case includes a discrete Apple Pencil groove along the side, allowing for seamless syncing and charging through the case. Never worry about misplacing your Apple Pencil again, as it securely attaches to your iPad Air. Compatible with Apple Pencil Pro (sync and charge) + Apple Pencil (USB-C)

Premium Materials
The premium vegan PU material (similar to Apple's Smart Cover) and a soft microfibre lining ensure your iPad Air's screen stays clean and protected from spills and dirt. The clear polycarbonate back keeps the case lightweight and lets you personalize your device. Experience luxury and durability in one case.

Auto Sleep-Wake for Battery Extension
Maximize your iPad's battery life with the intelligent auto sleep-wake feature integrated into our Origami No1 case. By automatically adjusting your iPad Air's power status as it opens or closes, the case can help extend the battery life by up to 20%, giving you more time to do what you love.
