Pipetto Origami No1 Original Case for iPad Air 13 (M4/M3/M2) - Burgundy

Pipetto Origami No1 Original Case for iPad Air 13 in Burgundy
Keep your iPad protected without adding unnecessary bulk. The Pipetto Origami No1 Original Case combines a slim, shock-absorbing design with a versatile folding stand, Apple Pencil compatibility and automatic sleep and wake functionality. Designed for iPad Air 13 with M4, M3 or M2, it makes reading, working and watching more comfortable.

- Five stand positions for everyday use
- Drop protection up to 1.1 metres
- Compatible with Apple Pencil Pro and Apple Pencil USB-C
- Premium materials with a clear back
- Automatic sleep and wake to help extend battery life

Five stand positions for everyday use
The folding Origami cover gives you five ways to position your iPad. Use portrait mode for reading and video calls, or the standard landscape position for watching videos. Two additional wide-base landscape positions provide support on soft surfaces or help minimise cover contact with messy surfaces while travelling. The ergonomic low-angle position is ideal for typing, gaming and drawing.

Drop protection up to 1.1 metres
A flexible, shock-absorbing TPU surround protects your iPad’s edges, while internal air pockets help cushion impacts. Together, they provide drop protection up to 1.1 metres in a slim design that is easy to carry.

Compatible with Apple Pencil Pro and Apple Pencil USB-C
A discreet groove along the side accommodates your Apple Pencil, keeping the case practical for drawing, note-taking and everyday use. The case supports Apple Pencil Pro pairing and charging without removal and is also compatible with Apple Pencil USB-C.

Premium materials with a clear back
The soft PU cover has a genuine microfibre lining to help protect your screen against dirt and spills. A clear polycarbonate back keeps the design lightweight, lets your iPad’s finish show through and gives you room to personalise it. The Burgundy cover adds a distinctive touch without compromising everyday practicality.

Automatic sleep and wake to help extend battery life
Open the cover to wake your iPad and close it to put it to sleep. This automatic function helps reduce unnecessary battery use and can extend battery life by up to 20% between charges.
