Pipetto Origami No3 Pencil Case for iPad Mini 8 (A20 Pro) - Black

Protect your iPad mini without adding unnecessary bulk. The Pipetto Origami No3 Pencil Case combines a slim, lightweight design with everyday drop protection, secure Apple Pencil storage and a folding cover that gives you five practical stand positions.

- Everyday protection with up to 1.1 m drop resistance
- Five stand positions for work, viewing and reading
- Secure Apple Pencil storage with Pencil Pro wireless charging
- Slim, lightweight design with considered materials
- Automatic sleep and wake to help preserve battery life

Everyday protection with up to 1.1 m drop resistance
A flexible, shock absorbent TPU shell with internal air pockets helps protect your iPad mini against everyday knocks and drops from up to 1.1 m. The protective design keeps bulk to a minimum, making it easy to carry your iPad wherever you need it.

Five stand positions for work, viewing and reading
The folding Origami cover gives you five ways to position your iPad mini. Use portrait mode for reading and video calls, or landscape viewing mode for films and browsing. The soft surface position provides comfortable viewing on a bed, sofa or uneven surface, while the keep clean position raises your iPad away from dirty surfaces when travelling. For typing, gaming, sketching and taking notes, choose the ergonomic lay flat position.

Secure Apple Pencil storage with Pencil Pro wireless charging
The integrated holder keeps your Apple Pencil securely stored, protected and close to hand. It accommodates both Apple Pencil Pro and Apple Pencil with USB C. Apple Pencil Pro can also pair and charge wirelessly while stored in the case, so you can keep it ready without removing it.

Slim, lightweight design with considered materials
A soft touch PU cover and premium microfibre lining help protect your screen from scratches, dirt and everyday wear. The clear polycarbonate back lets you personalise the look of your iPad, while the lightweight construction makes the case practical for daily use.

Automatic sleep and wake to help preserve battery life
The auto sleep and wake function puts your iPad to sleep when you close the cover and wakes it when you open it. It is a simple way to help preserve battery life between charges and get back to what you were doing.

Package includes

- One Pipetto Origami No3 Pencil Case - black.
