Twelve South SurfacePad for iPad mini 5 - Cognac

The Twelve South SurfacePad for iPad mini 5 provides everyday protection in a slim cognac leather design. It covers the front and back of your iPad, folds into a stand for viewing or typing, and wakes your device when opened and puts it to sleep when closed.

- Ultra-slim leather protection for the front and back
- Hands-free viewing stand with multiple angles
- Built-in wedge for a comfortable typing angle
- Secure adhesive attachment with residue-free removal
- Open to wake, close to sleep

Ultra-slim leather protection for the front and back
The leather wrap protects the front and back of your iPad mini without the bulk of a traditional plastic shell. The rigid front cover has a soft felt lining to help protect the screen from scuffs.

Hands-free viewing stand with multiple angles
Fold the cover into a stand to watch videos or take FaceTime calls hands-free. The built-in stand offers multiple positions for stable, comfortable viewing.

Built-in wedge for a comfortable typing angle
The cover folds into a wedge that raises your iPad mini to a comfortable angle for writing emails, taking notes or working on the go.

Secure adhesive attachment with residue-free removal
An adhesive surface holds the case securely to the back of your iPad mini during use. The case is designed to lift away cleanly without leaving residue when removed.

Open to wake, close to sleep
Open the cover to wake your iPad mini and close it to put the device to sleep, keeping the screen covered when not in use.

Package includes
