Armor Shell & Impact Resistant Bumpers

The UAG Metropolis for Surface Pro 9 features a robust armor shell combined with impact-resistant bumpers. This dual-layer defense system is specifically designed to protect your device from the rigors of daily life, providing reliable protection against drops and impacts.

Tactile Grip & Easy Port Access

A rugged, non-slip exterior ensures a firm grip, reducing the chance of accidental drops. The thoughtful design of the case allows quick and easy access to all ports and functions, so you can maintain your workflow without unnecessary hindrances.

Surface Pen Storage & Accessory Tether Points

Conveniently store your Surface Pen with integrated storage slots, ensuring you have it ready when inspiration strikes. The case also features anchor points, allowing you to attach shoulder straps or stylus tethers to keep your device secure while on the go.

Compatible with Microsoft Surface Type Cover Keyboards

The UAG Metropolis is fully compatible with Microsoft Surface Type Cover Keyboards, including both Metal and Alcantara options, ensuring seamless integration and enhanced usability.

Built-in Kickstand

Effortlessly transform your tablet into a laptop-style workstation with the built-in kickstand. Ideal for typing, video conferencing, or hands-free media consumption, this versatile feature complements your on-the-go lifestyle perfectly.
