ALOGIC Elements Silicone 5A/240W USB2 USB-C to C Male Cable, 1m - White

Elevate your charging experience with the ALOGIC Elements Silicone USB-C to USB-C Cable. This premium 1-meter cable combines cutting-edge technology with sleek design, offering fast charging and data transfer capabilities in a durable, flexible package.

- High-power 5A/240W charging
- Durable silicone construction
- USB 2.0 data transfer speeds
- Convenient 1-meter length
- Includes handy cable tie

High-Power 5A/240W Charging
Experience lightning-fast charging with the ALOGIC Elements cable's impressive 5A/240W power delivery. This cable is engineered to provide maximum charging efficiency for your compatible devices, ensuring they're powered up and ready to go in no time.

Durable Silicone Construction
Built to last, the ALOGIC Elements cable features a robust silicone exterior that resists wear and tear. This flexible material not only enhances the cable's longevity but also prevents tangling, making it perfect for everyday use and travel.

USB 2.0 Data Transfer Speeds
Enjoy reliable data transfer with USB 2.0 compatibility. Whether you're syncing files or backing up your device, this cable ensures a stable connection for seamless data transmission between your USB-C devices.

Convenient 1-Meter Length
The 1-meter length of the ALOGIC Elements cable offers the perfect balance between reach and manageability. It's long enough to provide flexibility in various settings while remaining compact for easy storage and portability.

Includes Handy Cable Tie
Keep your cable neatly organized with the included cable tie. This thoughtful addition helps you manage cable clutter and keeps your workspace or travel bag tidy and professional.

Package includes:
