Effortlessly charge all your USB-C devices with the ALOGIC Rapid Power 40W GaN Charger. This compact powerhouse uses innovative GaN technology to provide a high-speed, efficient charging solution that simplifies your tech life. Whether at home or on the go, this charger is the only one you'll need for tablets, phones, and other USB-C devices.

- Dual USB-C charging outputs for simultaneous device charging
- Up to 30W USB-C Power Delivery for rapid charging
- Utilizes cutting-edge GaN technology for a compact design
- 50% smaller size compared to traditional chargers
- The perfect travel companion for all your charging needs

Dual USB-C Outputs
Charge two devices at the same time without sacrificing charging speed. Each USB-C port on the ALOGIC Rapid Power GaN Charger delivers efficient power, ensuring your devices are powered up quickly and ready to go when you are.

USB-C Power Delivery
Experience the benefit of Power Delivery technology, which automatically adjusts to the optimal power level for your device. Enjoy up to 30W of charging power, which can replenish your most power-hungry devices in no time.

Advanced GaN Technology
By harnessing the capabilities of Gallium Nitride (GaN), the ALOGIC Rapid Power GaN Charger achieves high performance in a significantly smaller package than traditional chargers. This technological advancement translates to less clutter and greater portability for you.

Incredible Portability
This compact charger is designed with portability in mind - 50% smaller than its counterparts and devoid of unnecessary cables. The ALOGIC Rapid Power GaN Charger is the ultimate travel charger, easily fitting into any bag or pocket for hassle-free transportation.

Your Go-To Travel Charger
No more carrying different chargers for various devices. The ALOGIC Rapid Power GaN Charger is versatile enough to power everything USB-C while being an ultra-portable accessory that follows you wherever you go.
