Just Mobile Highway Turbo w. USB-C to Lightning cable

Elevate your in-car charging experience with the premium Just Mobile Highway Turbo. Crafted with meticulous attention to detail, this high-performance charger is designed to complement the sophisticated interior of any car while providing rapid and reliable power to your devices on the go.

- Premium aluminium finish for elevated aesthetics
- Dual charging ports for simultaneous power supply
- Power Delivery and Quick Charge support for efficient charging
- Smart chipset for optimal power allocation
- Multi-point protection circuitry ensures device safety

Premium Aluminium Finish
The Just Mobile Highway Turbo boasts a high-grade unibody aluminium construction with diamond-cut bevelled edges and a knurled surface. The charger's sleek, metallic design adds a touch of elegance and ensures lasting durability, making it the perfect accessory for your car's interior.

Dual Charging Ports
With an 18W USB-C port and a 12W USB-A port, the Highway Turbo offers the convenience of charging two devices simultaneously. Whether it's your smartphone and tablet or a combination of other USB-powered gadgets, this charger ensures that you and your passengers stay connected, even on the longest journeys.

Power Delivery and Quick Charge Support
Featuring advanced charging technologies, the Highway Turbo's USB-C port supports both Power Delivery and Quick Charge standards. This allows for a rapid charge of compatible devices, including an iPhone, to 50% in just 30 minutes, keeping you powered up and ready to take on the day.

Smart Chipset
The intelligent chipset within the Highway Turbo charger efficiently allocates the optimum voltage and current to your connected devices. This tailored charging approach maximizes the charging speed while protecting your gadgets from overcharging and excessive heat.

Multi-Point Protection Circuitry
Your safety is Just Mobile's top priority. The Highway Turbo has multi-point protection circuitry that shields your devices against overcurrent, overcharging, and overheating. The subtle green micro-LED power light indicates that your devices are charging safely and securely.

Package includes

- Just Mobile Highway Turbocharger
- An Apple-certified USB-C to Lightning fast charge cable

Product Specifications

- Input: 12-24VDC/3A Max
- USB-C Output: PD2.0/QC3.0 compatible (5V/3A, 9V/2A, 12V/1.5A) up to 18W
- USB-A Output: 5V/2.4A up to 12W
- Total Power Output: 30W Max
- Compatibility: Tablet: all, smartphone: all, Laptop with USB-C Port and Any devices with USB-C or USB-A Port
