ALOGIC Elements PRO USB-C to Lightning 2m - Black

Experience the ultimate charge with the ALOGIC Elements PRO USB-C to Lightning 2m - Black cable. Designed to endure the demands of everyday use, this cable blends exceptional strength with impressive flexibility to deliver fast charging and smooth data transfers for your USB-C and Lightning-enabled devices.

- Fast Charging Capabilities
- High Flexibility & Bend Life
- Robust Build Quality
- Extended 2-Year Warranty
- Certified Performance

Fast Charging Capabilities
Rapidly power up your devices with the ALOGIC Elements PRO cable. Engineered to support quick charging, this cable ensures you get the fastest possible charge time after time. No more waiting around; get back to full battery quicker and more efficiently.

High Flexibility & Bend Life
Don't compromise on movement — the ALOGIC Elements PRO cable is rigid and incredibly flexible. It squeezes into tight spaces and withstands over 30,000 bends, making it one of the most enduring cables on the market. It's the perfect companion for those who need a cable that fits their dynamic lifestyle and space constraints.

Robust Build Quality
The Elements PRO is constructed with double-braided sleeving and reinforced insulation, providing an ultra-resilient exterior that protects against daily wear and tear. It’s built to withstand constant handling and to ensure reliability for your daily charging regime.

Extended 2-Year Warranty
Reliability goes hand-in-hand with peace of mind. The ALOGIC Elements PRO cable is backed by a two-year warranty, underscoring its quality and endurance. Don’t settle for less; invest in a cable that promises and delivers longevity.

Certified Performance
With certifications for safety and performance, including CE and FCC compliance, the Elements PRO doesn’t just look the part — it acts it. Trust in a cable is guaranteed to perform at its best every time you plug it in.
