

Introducing the ALOGIC Rapid Power 32W (20W+12W) GaN Charger, your one-stop solution for charging all your devices efficiently. This state-of-the-art charger leverages cutting-edge Gallium Nitride (GaN) technology to offer a compact, portable, and powerful charging experience. This versatile charger is perfect for keeping your USB-C and USB-A devices powered up at home or on the go.

- Dual Charging Capability
- GaN Advanced Technology
- Comprehensive Safety Certification
- Wide Range USB Power Delivery
- Travel-Friendly Design

Dual Charging Capability

The ALOGIC Rapid Power Charger can charge up to two devices simultaneously. It comes equipped with one USB-C and one USB-A port, allowing you to power up your smartphone and tablet simultaneously without compromising speed or efficiency.

GaN Advanced Technology

Experience the future of charging with GaN technology. Our charger is 50% smaller than traditional chargers, providing high energy and power in a remarkably compact size. This means you get all the charging power you need without the bulk.

Comprehensive Safety Certification

Your safety is our priority. The ALOGIC Rapid Power Charger meets and exceeds all safety standards, ensuring you have a reliable charging accessory. With over-current, over-voltage, short-circuit, and over-temperature protections, rest assured your devices are charging securely.

Wide Range USB Power Delivery

Optimized for versatility, the charger uses the latest USB-C Power Delivery technology to provide up to 40W of power. It intelligently adapts to the power needs of your high-powered devices and safely charges lower-powered gadgets such as phones and tablets.

Travel-Friendly Design

The compact and portable design of this ALOGIC charger makes it an essential accessory for travellers. Say goodbye to bulky cables and hefty chargers; this sleek, lightweight charger fits easily into your laptop bag or pocket, ensuring you stay powered wherever you go.
