

Elevate your charging experience with the ALOGIC Rapid Power 63W (45+18W) GaN Charger, which comes with a 2-meter USB-C charging cable. Charge your devices faster, safer, and more efficiently, whether at home or on the go.

- Universal Compatibility
- 3x Faster Charging
- Compact and Portable Design
- Guaranteed Performance
- Certified Safe

Universal Compatibility

The ALOGIC Rapid Power 63W GaN Charger has been designed to be your one-stop charging solution. This versatile charger is perfect for powering up all your USB-C devices, from the latest laptops and smartphones to tablets. It adapts the output to suit each device's needs, ensuring a quick and efficient charge every time.

3x Faster Charging with GaNFast Technology

Gone are the days of waiting hours for your devices to charge. The GaNFast technology inside the ALOGIC charger ensures your devices get powered up to three times faster than traditional chargers. With this next-generation charging technology, you experience less downtime and more uptime.

Compact and Portable Design

ALOGIC's dedication to innovation is evident in the sleek, compact design of its 63W GaN Charger. By leveraging the advanced GaN charging technology, the charger is 50% smaller than traditional ones, making it effortless to carry wherever you go. Don't let your charger weigh you down when ALOGIC offers a lightweight solution.

Guaranteed Performance

When you choose ALOGIC, you're choosing a product that promises unsurpassed performance. The ALOGIC Rapid Power charger meets all USB standards and has earned the prestigious certification from the USB Industry Foundation, assuring you of its quality and reliability.

Certified Safe

Your safety is ALOGIC's top priority. This GaN Charger meets and exceeds all international regulatory standards. It's equipped with multiple safety features, such as overcurrent, overvoltage, short-circuit, and overtemperature protection, to ensure peace of mind with every charge.

Package includes
