- Ultra-slim unibody aluminum design
- Charge up to 4 devices simultaneously
- Smart auto-detect for optimal charging on iOS and Android
- Compact, clutter-free and travel ready with 100-240 V input
- 31 W total output with up to 2.4 A per port

Ultra-slim unibody aluminum design
Built from high-quality components and finished in sleek unibody aluminum, AluCharge is as durable as it is elegant. Its ultra-thin 1.8 cm profile sits neatly on any desk and slips easily into a bag or pocket, delivering premium style without bulk.

Charge up to 4 devices simultaneously
Power more with less. Four USB ports let you charge phones, tablets, earbuds, and accessories at the same time from a single power outlet, simplifying your setup at home, in the office, or on the go.

Smart auto-detect for optimal charging on iOS and Android
AluCharge intelligently identifies each connected device and allocates the optimal power for efficient, reliable charging. Get the best possible speed for both iOS and Android devices without manual adjustments.

Compact, clutter-free and travel ready with 100-240 V input
Designed to declutter your workspace and streamline travel, AluCharge replaces multiple chargers and adapters. Universal 100-240 V input keeps you powered across regions—just add the appropriate plug adapter for your destination.

31 W total output with up to 2.4 A per port
With 31 watts and up to 2.4 A per port, AluCharge delivers strong, stable power for everyday devices. Keep your essentials topped up quickly and safely, whether you are charging one device or all four.
