Twelve South PowerCord 1.2m - White/Dune

The Twelve South PowerCord 1.2m (White/Dune) combines a 30 W USB-C Power Delivery charger with a durable braided cable, so there is no need for a separate power adapter.
With its minimalist design and integrated EU plug, it fits neatly into your workspace or home setup.

- Practical 1.2 m length – Provides useful reach while remaining easy to manage.
- Built-in 30 W USB-C Power Delivery charger – Fast, efficient and safe charging for phones, tablets and laptops.
- Durable flat braided nylon cable – Resists tangling, fraying and daily wear.
- Integrated EU plug – Works with all standard EU power sockets.
- White/Dune finish – Neutral tones complement modern and Scandinavian-inspired interiors.
- Quality construction – Reinforced strain relief and premium materials support reliable everyday use.

Practical 1.2 m Length
The PowerCord's 1.2 m cable gives you flexibility when charging devices on a desk or bedside table, while remaining easy to keep tidy.

30 W USB-C Power Delivery Charger
With 30 W PD 3.0 / PPS support, the PowerCord delivers fast, efficient charging for a wide range of USB-C devices, including iPhones, iPads, MacBook Air and other laptops. The integrated charger means you do not need a separate wall adapter.

Durable Flat Braided Nylon Cable
The flat braided nylon cable resists tangling, fraying and daily wear. Its low-profile design lies flat against a desk or wall to help keep your setup tidy.

Integrated EU Plug
Designed for use in Europe, the integrated EU plug fits all standard EU power sockets for a secure, stable connection at home, in the office or when travelling.

White/Dune Finish
The neutral White/Dune tones complement modern interiors, including minimalist and Scandinavian-inspired spaces.

Quality Construction for Reliable Charging
Reinforced connectors and premium internal components support safe, consistent power delivery for everyday charging.
