

Intelino Short Track Pack - Dark gray

The Intelino Short Track Pack is the ultimate addition to your track building arsenal, offering unparalleled versatility and creativity. This pack seamlessly complements the Starter Set and Track Extension Pack, providing you with a diverse collection of crosses, short tracks, and dog-bone connectors to elevate your track designs.

- Versatile track pieces
- Perfect complement to existing sets
- Includes cross tracks for complex layouts
- Features short IN-OUT, IN-IN, and OUT-OUT tracks
- Comes with dog-bone connectors for secure connections

Versatile Track Pieces

Expand your track building possibilities with a variety of specialized pieces. The Short Track Pack includes crosses, short tracks, and dog-bone connectors, allowing you to create intricate and exciting layouts.

Perfect Complement to Existing Sets

Designed to work seamlessly with the Intelino Starter Set and Track Extension Pack, this pack enhances your track building experience. Combine these pieces with your existing set to unlock endless design potential.

Cross Tracks for Complex Layouts

The inclusion of cross tracks enables you to create more complex and challenging layouts. Intersect your tracks and add new dimensions to your designs, making your creations even more engaging and exciting.

Short IN-OUT, IN-IN, and OUT-OUT Tracks

These specialized short tracks offer unique connection options, allowing for tighter turns and more compact designs. Mix and match these pieces to create custom configurations that suit your space and imagination.

Dog-Bone Connectors for Secure Connections

Ensure your tracks stay firmly connected with the included dog-bone connectors. These essential pieces provide stability and reliability to your creations, allowing for smooth and uninterrupted play.

Package includes:

- 2 cross tracks
- 4 short IN-OUT tracks
- 2 short IN-IN tracks
- 2 short OUT-OUT tracks
- 8 dog-bone connectors
