- Elegant Aluminium Design
- Dual USB Ports (USB-C & USB-A)
- PD/QC Hybrid Fast Charging
- Intelligent Charging Technology
- Comprehensive Safety System

#### Elegant Aluminium Design

The Just Mobile Highway Turbo is more than just a car charger; it's a statement piece. Crafted with a premium aluminium finish, this charger exudes sophistication. Its bright, green micro-LED power light subtly indicates that power is flowing without being a distraction, seamlessly blending into the refined aesthetics of your car's interior.

#### Dual USB Ports (USB-C & USB-A)

Double your charging capabilities with a single, compact device. The Just Mobile Highway Turbo boasts two USB ports – one USB-C and one USB-A. This allows you to conveniently charge two devices simultaneously, whether your smartphone, tablet, laptop, or GPS.

#### PD/QC Hybrid Fast Charging

Stay ahead with cutting-edge PD (Power Delivery) and QC (Quick Charge) technology. The Highway Turbo's smart ports adjust to deliver the quickest, safest charge to your devices, slashing wait times and getting you back on track faster.

#### Intelligent Charging Technology

Charge smarter, not harder. The Just Mobile Highway Turbo has a smart charging chipset that optimizes power delivery to each connected device. Dynamically adjusting the current ensures efficient charging cycles and maximizes your device's battery lifespan.

#### Comprehensive Safety System

Drive with peace of mind, knowing your charger works overtime to protect your precious devices. The Highway Turbo's multi-point protection circuitry shields against overcharging, power surges, and overheating—safeguarding your tech and car.
