Exceptional Pressure Sensitivity

Experience the ultimate control and precision with the ALOGIC Surface Stylus Pen, which boasts up to 4096 levels of pressure sensitivity. This sophisticated technology allows you to capture the nuances of every stroke, making it perfect for drawing, handwriting, or any task where detail is vital. The responsive pressure sensitivity gives you the flexibility to adjust line weight smoothly, enhancing the quality of your work.

Seamless Compatibility with Surface Devices

The ALOGIC Surface Stylus Pen is specially designed to work effortlessly with a wide range of Microsoft Surface devices. This stylus ensures seamless integration from the Surface Pro and Surface Laptop to the Surface Book and Surface Go. It's crafted to complement your Surface, enabling you to maximize your device's capabilities without any compatibility concerns.

Hassle-Free Instant Usage

Ease of use is paramount, and this stylus pen delivers precisely that. It's ready to go right out of the box, with no need for software or hardware installations. The Instant Plug and Play feature means you can immediately start using the pen on your Surface device, ensuring your ideas and tasks are captured immediately.

Premium Quality and Durability

Crafted from high-quality materials, the ALOGIC Surface Stylus Pen is built to last. Its sturdy construction is designed to withstand the rigours of daily use while maintaining an elegant aesthetic. This pen is an investment in functionality and style, providing you with a reliable tool that won't disappoint you.

Convenient Magnetic Attachment

The pen's magnetic attachment feature makes it simple to keep your stylus secure and within reach. This thoughtfully designed addition ensures that your stylus can magnetically attach to the side of your Surface device, providing a secure hold. Now, you can have peace of mind knowing that your stylus is safely stored and always ready when inspiration strikes.
