

Transform your iPad experience with the Just Mobile Encore, the ultimate aluminum stand designed to elevate your device to new heights of style and functionality. This minimalist yet robust stand offers seamless adjustability, portability, and compatibility with a wide range of iPad models.

- Sleek aluminum design
- Adjustable viewing angle
- Foldable and portable
- Compatible with multiple iPad models
- Award-winning Danish design

Sleek aluminum design

The Just Mobile Encore boasts a minimalist design crafted from high-quality aluminum. Its circular base and clean lines make it a perfect complement to your iPad, adding a touch of sophistication to any workspace or living area.

Adjustable viewing angle

Say goodbye to neck strain and hello to perfect positioning. The Encore features an adjustable arm made of durable rubber, allowing you to set your iPad at precisely the right angle for comfortable viewing, whether you're reading, typing, or video chatting.

Foldable and portable

Take your stand wherever you go. The Encore's clever foldable design makes it easy to slip into your bag or backpack, ensuring you always have the perfect iPad stand at your fingertips, whether you're at home, in the office, or on the move.

Compatible with multiple iPad models

Versatility is key with the Just Mobile Encore. This stand is designed to work seamlessly with a wide range of iPad models, including iPad Air, iPad Mini, iPad 1-4, and even the iPad Pro, making it a future-proof accessory for your Apple devices.

Award-winning Danish design

The Encore is more than just a stand – it's a piece of functional art. Designed by an award-winning Danish design duo, this stand combines form and function in a way that only Scandinavian design can, ensuring your iPad looks as good as it performs.
