Play Shifu Plugo STEM Wiz Pack

Unleash the genius in your child with this innovative AR-powered gaming system, specifically designed to hone your 4-10 year old's skills in Science, Technology, Engineering, ART, and Mathematics. By integrating one gamepad, interchangeable gaming kits, and a unique companion app, we offer age-adaptive educational games that establish and expand STEAM disciplines through engaging story-based challenges. It's more fun, more learning with Shifu Plugo!

- Available in 8 languages
- STEM and STEAM skill building
- Interchangeable gaming kits
- Age-adaptive educational games
- Physical-virtual play

Multiple Language Support
One of the unique offerings of our product is its compatibility with eight languages, including Swedish, Norwegian, and Danish, making it accessible to a diverse group of young learners.

STEM and STEAM Skill Development
Our "STEM Wiz Pack" is a perfect introduction to learning with 1 math kit, 1 words kit, and 1 building blocks kit. It focuses on critical Science, Technology, Engineering, and Mathematics skills, but also incorporates Art (STEAM), fostering a comprehensive educational journey.

Interchangeable Gaming Kits
Each gaming kit is designed to adapt as your child grows, ensuring that they always have stimulating challenges to conquer.

Age-Adaptive Educational Games
Our games are not just fun; they're educational. We've carefully created age-adaptive games that foster a thirst for knowledge and provide a solid foundation for lifelong learning.

Physical-Virtual Play
We believe in the magic of hands-on play. That's why our ingenious gaming system marries physical play with digital enhancements. As quoted by Forbes, this approach is "not only fun but highly educational for youngsters."

Supported Nordic Languages: Swedish, Danish and Norwegian.
Other languages supported: English, German, Italian, French, Spanish, Polish and Dutch.

Package Includes

- One Gamepad
- Interchangeable Game Kits (1 Math kit, 1 Words kit, 1 Building blocks kit)
- 1 Companion app
