Play Shifu Tacto: Dino

Introducing Shifu Tacto: Dino from PlayShifu - an ultimate blend of physical-virtual play that is fun and educational! This game system allows young explorers to enter the prehistoric age, immerse in thrilling adventures, and expand their knowledge with over 100 dino facts. Compatible with a range of tablets and designed for children aged 4 - 8, this innovative game is all set to bring a screen full of fun with a tap of their favourite dinosaur figurine!

- Brings alive your favourite dinosaurs
- Unlocks thrilling adventures
- Offers educational entertainment
- Interactive learning through experiences in prehistoric lands
- Compatible with various tablets

Brings Alive Your Favourite Dinosaurs
Revive the majestic creatures from the Jurassic era right in your living room. Shifu Tacto: Dino makes learning about dinosaurs an interactive and engaging experience for kids.

Unlocks Thrilling Adventures
Every tap brings a new adventure! Utilising cutting-edge technology, Shifu Tacto: Dino unlocks fascinating games and stories about prehistoric dinosaurs, stimulating young minds with fun and adventure.

Offers Educational Entertainment
With both fun and education at its core, Shifu Tacto: Dino aims to expand young learners' knowledge through over 100 dinosaur facts integrated into story-based games. So, children learn while they play!

Interactive Learning Through Adventures in Prehistoric Lands
Join Ramone and his dinos to catch Markus the Mayhem and recover the lost time-travelling watch! This game promotes scientific thinking, attention to detail, and problem-solving skills as players navigate through various challenges in the prehistoric era.
