Ergonomic comfort
Paperlike Pencil Grips V2 provide a natural, comfortable hold that reduces strain on your fingers and hand, helping you draw and take notes for longer with less discomfort.

Easy to fit
Simply slide the grip onto your Apple Pencil and adjust it to your preferred position. No tools or complicated instructions are needed, so you can easily move it between compatible devices.

Textured grip for precision
The textured surface helps keep your Apple Pencil secure in your hand, reducing slips and improving precision and control for detailed illustrations and note-taking.

Made for Apple Pencil
Paperlike Pencil Grips V2 fit all Apple Pencil generations. They sit snugly around the stylus without interfering with its functionality, including the Double Tap gesture, magnetic attachment or charging.

Durable silicone
Made from high-quality silicone, Paperlike Pencil Grips V2 offer a soft yet firm hold and are designed to withstand daily use.
