Pipetto Origami No1 Original Case for iPad Pro 13 (M5/M4) - Burgundy

Protect your iPad without compromising on how you use it. The Pipetto Origami No1 Original Case combines a slim, lightweight design with drop protection and a versatile folding cover. Whether you are reading, working or watching, it gives your iPad a stable position while keeping it protected throughout the day.

- Five folding positions for everyday use
- Drop protection up to 1.1 m
- Slim design with premium materials
- Apple Pencil compatibility
- Auto sleep and wake to help extend battery life

Five folding positions for everyday use
Fold the Origami cover into five practical positions to suit what you are doing. Use portrait mode for reading and video calls, landscape mode for watching, or the ergonomic lay-flat position for typing, gaming and drawing. Two additional landscape positions provide a wider base for soft surfaces, such as a bed, or help minimise contact with messy surfaces when travelling.

Drop protection up to 1.1 m
A flexible, shock-absorbent TPU surround combines with internal air pockets to help protect your iPad against drops from up to 1.1 m. Full edge protection cushions everyday knocks while keeping the case slim and easy to carry.

Slim design with premium materials
The soft PU vegan leather cover has a genuine microfibre lining to help protect your screen from dirt and spills. A clear polycarbonate back keeps the case lightweight and lets you see and personalise your iPad without removing its protection. The Burgundy finish adds colour to a clean, understated design.

Apple Pencil compatibility
A discreet groove along the side accommodates your Apple Pencil while keeping the case in place. The case is compatible with Apple Pencil Pro and Apple Pencil (USB-C), and allows Apple Pencil Pro to pair and charge through the case.

Auto sleep and wake to help extend battery life
Open the cover to wake your iPad and close it to put it to sleep. This automatic function helps reduce unnecessary battery use and can extend battery life by up to 20% between charges.
