Discover unparalleled protection with the Pipetto Origami Shield, meticulously engineered for the iPad 10.2-inch (2019/2020/2021). This robust case promises safety and functionality, sporting a versatile origami folding cover. It's your iPad's ultimate companion—balancing military-grade durability with an elegant, smart design.

- Certified Military Standard (MIL-STD-810G) for maximum protection
- Advanced 5-in-1 Origami folding style for versatile viewing and typing
- Full access to cameras, volume buttons, and charging points
- Magnetic PU cover with sleep-wake functionality to extend battery life
- Clear TPU and PET back window for iPad visibility and protection

Certified Military Standard (MIL-STD-810G) Durability

Subject to rigorous testing, the iPad Origami Shield case has met the tough Military Standards (MIL-STD-810G). It has survived 26 drops from over 4ft onto hard surfaces with an iPad housed safely inside, ensuring that your device is guarded against the impacts of everyday life.

Advanced 5-in-1 Origami Folding Style

The unique Origami Shield offers five versatile stand positions without additional accessories. Transition seamlessly from an upright viewing position to an ergonomic typing setup, adjust for unstable surfaces, or enjoy hands-free FaceTime calls, all thanks to the multi-folding capabilities of the smart cover.

Full Access to Essential Features

Your iPad remains functional and easy to use within the Origami Shield. The smartly designed case allows complete access to the iPad's cameras, buttons, and ports while still enveloping the device in full protection, ensuring ease of use in all activities, from entertainment to productivity.

Magnetic Cover with Sleep-Wake Functionality

Equipped with a magnetic front cover that mimics the touch and feel of Apple's Smart Cover, the Origami Shield's smart cover boasts automatic sleep-wake technology. Close the cover to put your iPad to sleep and extend battery life by up to 20%.

Clear Visibility and Protection

Not only does the case shield your iPad, but it also showcases it. With a shock-absorbent TPU and clear PET back window, your iPad is drop-protected and visible. Enjoy peace of mind without hiding the aesthetics of your device, whether it showcases engraving, personalization, or asset tagging.
